

# autoBOOK® Building Codes of New York State

The 2017 autoBOOK is now available. Includes the recently adopted NYS Uniform Code and Energy Code and the 2016 NYS Uniform Code Supplement (effective date - October 3, 2016).

autoBOOK NY Codes **integrates the 2016 NYS Supplement with the International Codes so that users do not have to work with multiple documents.** Includes:

- 2015 International Building Code
- 2015 International Residential Code
- 2015 International Existing Building Code
- 2015 International Fire Code
- 2015 International Plumbing Code
- 2015 International Mechanical Code
- 2015 International Fuel Gas Code
- 2015 International Property Maintenance Code
- 2016 NYS Uniform Code Supplement

The Energy Code incorporates the following by reference:

- 2015 International Energy Conservation Code
- 2013 ASHRAE 90.1
- 2016 NYS Energy Code Supplement

Intuitive and easy-to-use, the Integrated 2016 autoBOOK Codes of New York State “search interface” simplifies the process of working with thousands of pages of codes and regulations. Features include:

- The Table of Contents provides one-click access for browsing the text of a specific chapter, section, etc.
- As you navigate through the text, the *banner bar* expands to display your location in the material.
- Browse figures & graphics by clicking the *Figures* button.
- Find specific information quickly by searching for a word, number, group of words or phrases.
- Search results are highlighted and designated “local” or “global”.
- Hypertext link to cross-referenced sections and figures.
- Keeps track of your jumps so that you can easily return to where you started.
- Customize with the additional information by creating notes at any location in the text. A sticky note icon will appear in the margin.
- Print text, tables & figures directly from program.
- Copy, paste and export text and diagrams to any Windows® program on your computer.
